

## **Ohio Avenue Bridge Replacement Detour Information**

### **About the Project**

The Ohio Avenue Bridge (1st Bridge), which spans the Penrose Canal, will be replaced in its entirety. Ohio Avenue will be closed for the duration of the construction from East Riverside Drive to Horace Bryant Jr. Drive. The project is anticipated to begin construction the last week of August 2021 and last approximately six (6) months.

### **Detour (see attached traffic control plans)**

- Generally, the detour route traveling east on Ohio Avenue will direct motorists to the eastbound service road to Route 30 eastbound and to Huron Avenue.
- Traveling west on Ohio Avenue, the detour route will generally direct motorists to MLK/ Route 30 Intersection to Route 30 to the westbound service road adjacent to Route 30 westbound and to Gramercy Avenue.

This information is also available in an electronic PDF at [acnj.gov](http://acnj.gov).
